Bruce,

Today (3/6/15) we received word from Hyannis Main Street Waterfront Historic District Commission that we can precede with the project. The Towns' Legal Dept. and Growth Management Dept. both gave the go-ahead to proceed on 2/27/15. Conservation Commission RDA is scheduled for March 31st.

Dale,

Thank you for making time to talk to me. As we discussed on the phone, please update me this Friday as to the status at that time of the remaining Boards that need to approve any aspect of the project.
